HISTORY

Write answer of the given questions on A4 sheets.

Assignment on Roman Empire:

1. Define the concept of empire-building. Explain the factors that contributed to the rise and expansion of the Roman Empire. Analyze the impact of Roman imperialism on conquered territories and indigenous cultures, using specific examples.
2. Discuss the political structure of the Roman Republic and the transition to the Roman Empire. Explore the roles of key figures such as Julius Caesar, Augustus, and other emperors in shaping the governance and administration of the Roman state.

Read the following passage and answer the follow-up questions:

"The Pax Romana, or Roman Peace, was a period of relative stability and prosperity in the Roman Empire that lasted for over two centuries. During this time, the empire experienced economic growth, cultural flourishing, and advancements in infrastructure and governance. However, the Pax Romana also had its challenges, including social inequalities, political intrigues, and military pressures from external threats."

1. Assess the achievements and limitations of the Pax Romana in promoting peace and prosperity within the Roman Empire. Discuss how factors such as trade networks, legal reforms, and military strategies contributed to the stability of the empire.
2. Analyze the social and economic dynamics of the Roman Empire during the Pax Romana. Evaluate the impact of slavery, urbanization, and class divisions on Roman society and economy.
3. Evaluate the legacy of the Roman Empire in shaping subsequent civilizations and world history. Discuss the enduring influence of Roman law, language, architecture, and cultural values on modern societies.

Approach each question with critical analysis and historical perspective to deepen your understanding of the Roman Empire and its significance in world history.

POLITICAL SCIENCE

Write answer of the given questions on A4 sheets.

Assignment:

- Q1.** Define the concept of electoral democracy. Explain how electoral democracy differs from other forms of democracy. Provide examples from different countries to support your explanation.
- Q2.** Analyze the impact of globalization on the political landscape of a specific country. Discuss how globalization has influenced political institutions, policies, and ideologies in that country.

Read the following paragraph and answer the follow-up questions:

"In recent years, there has been a growing trend of political polarization in many democracies around the world including India. This polarization often leads to gridlock in decision-making processes and hinders the functioning of democratic institutions. As a student of political science, critically analyze the causes and consequences of political polarization. Provide examples from at least two different countries to illustrate your points."

Q1. What are the key factors contributing to political polarization in modern democracies? Discuss how these factors manifest in political discourse, public opinion, and policymaking.

Q2. Evaluate the role of media, political parties, interest groups, and social movements in exacerbating or mitigating political polarization. Provide examples to support your analysis.

Q3. Remember to approach each question with a critical mindset and support your arguments with relevant evidence and examples. Keep up the good work!
