ACADEMIC ASSESSMENT PLAN 2021-2022

Dear Parents/ Guardian

Greetings. I hope and pray to the Almighty that you and your near and dear ones are keeping good health in these challenging times. The year 2021 has given our DAVID Family some very irreparable loss. Some of our staff members lost their near and dear ones to Covid. Several of our children too suffered the loss of a parent. Our deepest condolences go out to the bereaved families. May God give them the strength and courage to cope with their loss!

You all, Dear Parents, might be well aware of the fact that due to extreme risk associated with the conduct of Board Examinations 2021, CBSE had to cancel both its Class X and Class XII Board Examinations of the year 2021 and results are being tabulated by the schools. For Class X, the result is being tabulated on the basis of students' performance in all school conducted PTs, Subject Enrichment Activities, Half Yearly Exam, Pre-Board Examinations and all Internal Assessments conducted by the school throughout the Academic Session. And for Class XII, the result is being tabulated by the school on basis of students' performance in Class X Board Examination, Class XI School conducted Examinations and on the basis of all Class XII Examinations i.e. UTs, Half Yearly, Pre-Board and all Internal Examinations conducted at school level.

It is, therefore, very important to note that all the Internal Assessment modes are very important for all the students in all the classes. Students should join all the ONLINE LIVE Classes (as per the Time Table for ONLINE Classes available at School 'Skolaro App') sincerely and take each and every exam diligently. As per the Examination Policy of School, student's absence in any of the examinations is marked ABSENT and ABSENT in any of the examinations does not earn any marks.

We at DAVID, following the guidelines of CBSE and also keeping in view the demand of the ongoing ONLINE Learning, have modified our ASSESSMENT PLAN for the Academic Year 2021-22. The Modified Assessment Plan for the Academic Session 2021-2022 is annexed herewith as ANNEXURE – A.

Please go through the Modified Assessment Plan for 2021-22 attached herewith.

Regards

Principal
